in a settings of silver.

*Happy
Father's
Day*

Great
Dad's
Matter!

*When I think of you, Dad, I think of
how many important life lessons you
taught me; like how important
Integrity, Family and Hard Work is.
I want you to know that I feel Blessed
that you were so involved in my life,
as a child, and now as an adult.
I always appreciate your advice,
even If I don't always take it,
because I am thankful you are still
here to give it, and many times it
helps me, to make my own decisions.
Thanks for being a Great Dad ,
And I hope you have a truly.....
Blessed Father's Day.*
